

Name	Mother of Mercy House
Mission Statement	<p>Inspired by Pope Francis’ call to “be a poor Church for the poor,” to be a “field hospital,” to “take the Church to the frontiers,” to “move beyond our comfort zones” and be where others might not want to be, the ministry began in 2015. Mother of Mercy House had a simple desire to be the presence of Christ and the Church, to discern the needs of the people who live there and to respond as best they could. We at Mother of Mercy House strive to share the mercy of God with all through prayer and sacraments, through counseling and support, through neighborhood walks, through food assistance, and by being a simple, safe, secure and steadfast Christian presence in Kensington. All of our programs and outreach are rooted in our pastoral goal: To Bring people to Know Jesus, to Love Jesus, and to Serve Jesus.</p>
